

# DELAWARE VALLEY ICRI

*Cordially Invites You to Our*

## THIRD ANNUAL HANDS-ON DEMONSTRATION SEMINAR

Returning by popular demand, please mark your calendars and join us for a day of education, technical review and a primer on constructability. Your Delaware Valley chapter will be hosting a half day event for engineers and architects to learn and practice concrete repair and façade restoration techniques first-hand, overseen by some of the best in the Delaware Valley.

Mechanics and estimators will again have the opportunity to turn the tables & inspect the design professionals' work!!

Previous years' events were very successful and we are looking forward to another great year.
